

AUGUST

“ARE YOU A KING THEN?”

When she was just 26 years old, Queen Elizabeth II's father, King George VI, died suddenly while she was visiting Africa. She immediately returned to take up the crown, despite being so young. Still living at that time was her grandmother, Queen Mary, who wrote her a letter, which was full of kindness. It concluded with these words: 'Your loving grandmother and devoted subject.'

Even though she was much older, she still honoured her granddaughter as the Queen of our country – *her* queen. In the same way we need to bow our hearts and take Christ as our personal King today, making no excuses. Pontius Pilate asked Jesus: “Are you a king then?” Jesus answered, **“You say rightly that I am a king...Everyone who is of the truth hears my voice.” (John 19:37)**. Do you? If so, call on Him in prayer to save you from your sins and become your King.
