

**The
Parable
of...**

JOHN 4:13&14

Jesus answered, "Everyone who drinks this water will be thirsty again, but whoever drinks the water I give will never be thirsty. The water I give will become a spring of water gushing up inside that person, giving eternal life."

The Parable of...

...the Bottle
of Mineral
Water.

A clear plastic water bottle with a blue cap and a label that says "BUKTO". The bottle is tilted and has some condensation on it. The text "Where Does the Water Come From?" is overlaid on the bottle in a large, bold, red font with a black outline.

**Where Does
the Water
Come From?**

**What Does
the Water Go
Through?**

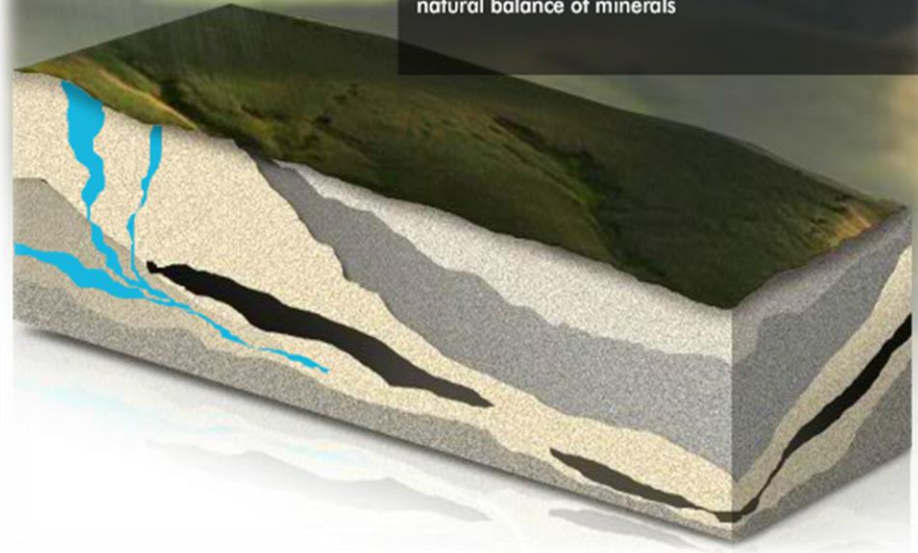

Buxton Spring

According to the British Geological Survey, the water we drink from the source today fell as rain over 5,000 years ago. This was long before the atmosphere was polluted by any industrial activity!

Buxton Spring

During its amazing nearly one-mile long downward journey, this pure rain water filters through the ancient limestone of the Peak District, acquiring a natural balance of minerals

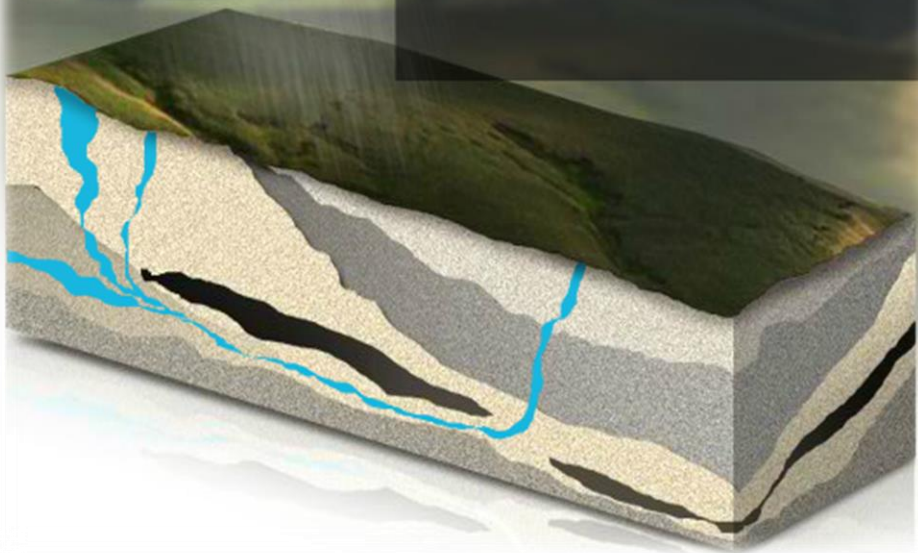

Buxton Spring

At a certain point, the water hits a fault in the rock strata which forces it back upwards.

Buxton Spring

Day after day, the water rises completely naturally to the surface, without being pumped, as pure as nature intended.

**What is the
Water for?**

CALCIUM:

For healthy bones & teeth.

MAGNESIUM:

Improves heart & brain health.

POTASSIUM

Muscle control & healthy nerve function & blood pressure.

SODIUM

Transports nutrients to cells in the body & stops the body overheating.

BICARBONATE
