

"Up and to the Right"

Fall 2013 – Looking back, looking forward...

Up: Bigger, stronger, richer...

To the right: Moving forward, gaining ground...

God's purposes for testing: James 1:2-4 (Guest Bible p. 854)

testing

develops perseverance

which develops maturity.

Peter's test: Luke 22:31-34 (p. 746)

Jesus knew this test was coming, and He also knew Peter would

fail. But He prayed Peter would be strengthened.

You don't have to pass a test

to be strengthened by it.
